COMPASSION-RESPONSIBILITY-EXCELLENCE IN LEARNING

PEDIATRIC NURSE

CYNTHIA GAILLIOT, RN, BSN

I have been a nurse for 46 years. Pediatrics has always been my specialty. I was a supervisor at Newark Beth Israel Hospital in the Pediatric emergency department for 11 years. I continued in a supervisory role at Westfield Pediatrics for 12 years. I was recruited by a Bridgewater Pediatric practice to create a manual including Q&As for fielding phone calls. After two years, I thought I was ready for retirement, but God had other plans. St. Theresa School called me for an interview, and as they say, the rest is history. I've called St. Theresa School my home for the past five years and have no plans of retiring anytime soon.
