

WELCOME TO ST. THERESA SCHOOL

COMPASSION-RESPONSIBILITY-EXCELLENCE IN LEARNING

SECOND GRADE 2A

KAREN DEMAIO

"Tell me and I'll forget; show me and I may remember; involve me and I'll understand." -Chinese proverb

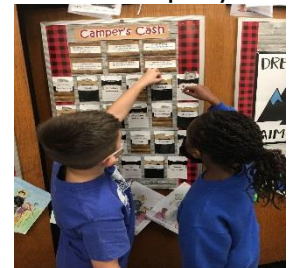

Each class is unique with students that have diverse backgrounds and learning styles. Every child brings his own individual talents and gifts to the classroom. Children become active learners when they are exposed to different teaching strategies. I incorporate songs, games, and hands-on activities into my lessons. This helps to create an environment that is educational, interesting, and fun. The children are taught to be tolerant of their classmates' differences and to accept each other as individuals. I want to promote an atmosphere where students feel safe and secure, thrive academically, and gain the confidence they need to become successful in life.

Facts About My Classroom

- Subject matter reinforced through projects and hands-on activities
- Strong home/school connection built by involving parents in special projects that enhance the curriculum
- Students provided with opportunities to present their work to the class and gain experience in speaking in front of a group
- Sense of responsibility taught through rotating classroom jobs
- Students are introduced to local history by visiting the Nitschke House Living Museum operated by the Kenilworth Historical Society
- Classroom library with multiple genres including nonfiction and biographies
- Prayer leader guides classmates in our daily routine of special intentions and prayers
- First Reconciliation and First Communion Instruction
