COMPASSION \* RESPONSIBILITY \* EXCELLENCE IN LEARNING

## FIRST GRADE 2B

MICHELE L. KEATING

*My teaching style is focused on student-centered learning. I provide the best methods and strategies necessary to guide and inform students. I incorporate whole class discussion sessions, differentiated instruction, and cooperative learning strategies to provide students with the necessary tools to develop critical thinking skills. I incorporate interactive activities, technology, and manipulatives to strengthen learning. I am a very enthusiastic, energetic classroom leader with a good sense of humor, and I bring these qualities with me to school every day. I firmly believe that if the teacher is excited and interested, the students will be, too.*
