

WELCOME TO ST. THERESA SCHOOL

COMPASSION - RESPONSIBILITY - EXCELLENCE IN LEARNING

PRE-K4A Toni Neto-Bamber

In Pre-K4, children develop more independence from home and become more self-reliant and confident. Through a combination of circle time and group activities, centers, crafts, stories, music and movement, and play, we provide a balanced and developmentally appropriate school experience that successfully prepares our students for kindergarten and beyond. Talking about Jesus and about kindness is an important part of our day. A supportive and encouraging Pre-K environment helps the children learn to love and love to learn!

Facts About My Classroom

- Daily Morning Meeting to start our day with prayer, share ideas through class discussion, build community, and preview the day's activities
- Stories of God's Love religion curriculum to help the children learn more about Jesus
- Strong reading readiness curriculum emphasizing alphabet letters and their sounds through stories, songs, and games
- Emphasis on early literacy in a classroom rich with environmental print
- Seasonal non-fiction topics reinforced with Scholastic's My Big World magazines
- Learning Without Tears activity books and resources help establish correct crayon and pencil grasp and letter and number formation
- Math skills woven into our day through counting, patterning, sorting, and sequencing opportunities to promote "number sense"
 - Art projects and crafts to reinforce concepts and celebrate holidays
